The Stadion Funds are a “Fund of Funds.” As such, investors indirectly bear fees and expenses charged by the underlying ETFs in which Stadion Funds invest in, in addition to Stadion Funds’ direct fees and expenses. There are also other potential risks associated with investing in Exchange-traded Funds (ETFs) since any investments in equities, including ETFs, are subject to market risks, sector risks, tracking risks, ETF net asset value and market price risks. International investing involves certain risks not usually associated with domestic investing, including currency fluctuation, economic and political volatility, foreign taxation and differences in financial standards.
